DEVELOPMENT DEPARTMENT.

To A.S.

The case relates to the question of making liberal supplies of iron and steel to the Rulers of the merged States of Pudukkottai, Banganapalle and Sandur.

2. A reference is invited to the letter from the Govt. of India, Ministry of States on pp. 1-2 above and the reply from the Bombay Govt. on pp. 2-3. above. Though there is no specific mention of iron and steel in the communications from the Govt. of India and the Govt. of Bombay, Public (Political) Dept., request that instructions may be issued for the supply of iron and steel on a liberal scale to the Rulers of the above states. The Essential Supplies (T.P.) Act, 1946 have been extended to the above States. Orders have been issued for the distribution by the Director of Controlled Commodities and the Jt.D.A of iron and steel and pipes and fittings for agrl. and non. agrl. purposes to the applicants in these states according to the existing Scheme of distribution. Orders may now issue asking the D.C.C. and the Jt. D.A., to make liberal supplies of iron and steel and pipes to the Rulers consistant with the Status, and privileges hitherto enjoyed by them. A draft order is submitted for approval.

3. Food and Agri and Public (Political) may see before issue.

DEVELOPMENT DEPARTMENT.

To A.S.

Notes from p. 1 above may be perused.

2. The draft order may issue.

I think this needs re-examination. I do not think that Iron and Steel is in the same category as Petrol, Motor Cars, Foodgrains, Cloth and Kerosine. There are articles of daily use. There is no point in giving iron and steel liberally, if that means giving in excess of requirements as per estimates.

On the whole no direction as in the draft seems necessary. The Govt. of India's letter does not mention "iron and steel".

C.P.G.
6-5-50.

Pub.(Poll.).

Public (Political) Department.

Notes of Development on p. 2 ante may be perused. As iron and steel are controlled commodities like food grains, petrol, Kerosene etc. it seems but appropriate to sanction quotas to the Rulers of the merged States in general on a liberal scale and this will be in keeping with the spirit of the Govt. of India's letter on pp. 1-3 ante. Attention is in this connection invited to paragraphs 3 and 4 of the preamble to the Revised Memorandum on the personal previleges of the rulers of the merged and integrated States according to which the rulers should be given all personal consideration which would have been due to them if they ha continued as the heads of the Administrations of the respective States. In the circumstances, this department considers that necessary instructions should be given to the authorities concerned to make liberal supplies of iron and steel etc., to the rulers of the merged States when asked for.

With the above remarks, the file may be returned to Development.

There seems to be little harm in extending

to the Rulers of the merged States the concession proposed in the Draft order. It will be a gesture of good will.

DEVELOPMENT DEPARTMENT.

To A.S.

Notes from p. 7 above may be perused.

2. In the circumstances noted by Pub. (Poll.) Dept. for orders whether the draft order below may now issue.

May issue.
